Retail Theft/Hit and Run

BWC: Yes

Synopsis:

Two security guards attempted to detain two females for retail theft but after the suspects split apart one was successfully detained and the other left in a vehicle, hitting one of the security guards who was on foot. Both suspects were detained by police with one suspect being cited for retail theft and the other being released with Misdemeanor A charges to be screened. Case will be closed with a citation issued and a Class A Screening sheet completed.

Narrative:

On 12/21/2025 around 1725 hours I was dispatched to a retail theft involving a fleeing vehicle that had hit a security guard at low speed. While I was en route, dispatch advised that the suspect vehicle, a white 2020 Mitsubishi Outlander with plate UT/5P7GV and VIN/JA4AZ3A39LZ019323, had fled the area and was southbound on 2700 W. I drove to the dispatched address of 3599 S 2700 W Unit 400 to meet with the security employees that currently had one female suspect detained while Officer Tratos attempted to locate the outstanding vehicle.

On arrival I met with one of the security employees, Julio Chacon (06/14/1992), who currently had Ashlee Roberts (05/31/1984) detained for retail theft. The West Valley Fire Department arrived on scene at the same time to clear Julio medically for the accident, but he denied medical care. I spoke with Julio who told me he had seen Ashlee and another female suspect, later identified as Chandee Roberts-Yardley (05/30/1975), conceal stolen items and pass the last point of sale at the nearby Nerd Store located at 3601 S 2700 W Unit G106. Julio told me he had confronted the suspects and tried to ask them to come with him to return the items, but the females had split and tried to walk away from him. Julio tried to stop Chandee as she got into the white Outlander, but Chandee had driven away ignoring him and had hit him at low speed after he stated she had clearly seen him. After Chandee drove away Julio was then able to successfully detain Ashlee and retrieve several of the stolen items from Ashlee.

At this point I placed Ashlee into handcuffs which were double-locked and checked for fit before I escorted

her to my patrol vehicle. I searched Ashlee's person incident to arrest and located two additional stolen air fresheners in her front waistband. Pictures were taken of the stolen property and uploaded to Evidence.com. Ashlee was placed into the prisoner compartment of my vehicle, and after reading her Miranda rights, she invoked the right to remain silent. I searched Ashlee's purse to look for any other stolen property and although I did not find any additional items I did find numerous pawn shop receipts for sold items and an unmarked prescription bottle filled with various pills. I checked the pills inside the bottle for any controlled substance but determined the pills only consisted of over-the-counter medications.

Julio and another security employee Brayant Castillo Garcia (10/20/1997) completed witness statements and determined the total value of items taken by Ashlee had been \$62 and the total value of items taken by Chandee had been three figurines totaling \$90. Julio stated that he would like to pursue charges for Chandee impacting him with her vehicle as well. I checked Ashlee's criminal history and did not find enhancing prior convictions and released her with citation E11448220 for Misdemeanor B retail theft.

Officer Tratos then informed me that he had been able to detain Chandee successfully and currently had her in custody. We checked Chandee's criminal history and discovered that she had two prior retail theft convictions in the last ten years, which would enhance this retail theft to a Misdemeanor A under 76-6-602. Due to Chandee leaving the scene of an accident involving a pedestrian and possible injury, I determined she would also be charged with Misdemeanor A Hit and Run under 41-6a-401.3. I completed the relevant Class A Screening sheet which was submitted via OnBase, but forgot to add applicable charges for Chandee driving with a denied driver's license and driving with expired registration. I was later informed that on 12/22/2025 the West Valley City Records emailed the West Valley Prosecutor's Office for the additional charges, which the Prosecutor's office acknowledged. After the stolen property was retrieved, Chandee was released with charges to be screened. The property retrieved from Chandee consisted of two figurines totalling \$65 despite security stating she had taken three figurines totalling \$90. Please refer to Officer Tratos's report for full details.

Due to the hit and run, a DI-9 was also completed. With one suspect released on a citation and the other released with charges to be screened, this ends my involvement in this case. Case will be closed with a citation issued and a Class A Screening completed.

The following report is a summation of the events based off my memory. My Body Worn Camera (BWC) was activated and functioning to the best of my knowledge. Any discrepancy, if found, will be noted.

### Narrative

On 12/21/25 I was dispatched to assist Officer Barlow on a shoplifting investigation at Valley Fair Mall. The complainant called in to report that two individuals had just been caught shoplifting. The complainant told dispatch that one of the suspects got into a vehicle and hit him with her vehicle as she was leaving.

The complainant provided the plate and description of the vehicle. I was informed by dispatch that TVPD had pulled the suspect vehicle over and had one of the suspects at 3200 w 5400 s.

I responded to TVPD's location and made contact with the suspect, Chandee Roberts, DOB 5/30/75. I informed Chandee of my reason for contacting her today and advised her that she was being detained. I requested Chandee to step out of the vehicle to which she complied. I placed my handcuffs onto Chandee's wrists, the handcuffs were checked for proper fit and double locked for safety. Chandee sat in the prisoner compartment of my patrol vehicle.

Officer Barlow called me and informed me that he would charging Chandee with shoplifting and requested that I check her criminal history to see if the charge would enhance. I utilized UCJIS and ran Chandee's criminal history. Chandee was convicted of shoplifting on 12/8/2020 (violation date of 8/3/2018), and also convicted on 12/3/2020 (violation date of 12/23/2018). Due to both of these offenses occurring within the last 10 years, I informed Officer Barlow that Chandee's charges would enhance to an MA.

Officer Barlow requested that I advise Chandee of the charges that were being screened against her and release her.

I had Chandee step out of my patrol vehicle and removed the handcuffs from her wrists. I advised Chandee of the charges to be screened against her. Chandee then began walking back to her vehicle and I asked if I could have the merchandise to return it to the store. Chandee retrieved the two items from the backseat of her vehicle and handed them to me. Chandee then got into her vehicle and left.

I returned the merchandise back to the Nerd Store.

Officer Barlow did not need further from me.

This ends my involvement with this case.

Retail Theft/Hit and Run

BWC: Yes

## Synopsis:

Two security guards attempted to detain two females for retail theft but after the suspects split apart one was successfully detained and the other left in a vehicle, hitting one of the security guards who was on foot. Both suspects were detained by police with one suspect being cited for retail theft and the other being released with Misdemeanor A charges to be screened. Case will remain open for screening of charges.

## Narrative:

On 12/21/2025 around 1725 hours I was dispatched to a retail theft involving a fleeing vehicle that had hit a security guard at low speed. While I was en route, dispatch advised that the suspect vehicle, a white 2020 Mitsubishi Outlander with plate UT/5P7GV and VIN/JA4AZ3A39LZ019323, had fled the area and was southbound on 2700 W. The West Valley Fire Department arrived on scene at the same time to clear Julio medically for the accident, but he denied medical care. I spoke with Julio who told me he had seen Ashlee and another female suspect, later identified as Chandee Roberts-Yardley (05/30/1975), conceal stolen items and pass the last point of sale at the nearby Nerd Store located at 3601 S 2700 W Unit G106. After Chandee drove away Julio was then able to successfully detain Ashlee and retrieve several of the stolen items from Ashlee.

At this point I placed Ashlee into handcuffs which were double-locked and checked for fit before I escorted her to my patrol vehicle. I searched Ashlee's person incident to arrest and located two additional stolen air fresheners in her front waistband. Pictures were taken of the stolen property and uploaded to Evidence.com. Ashlee was placed into the prisoner compartment of my vehicle, and after reading her Miranda rights, she invoked the right to remain silent. I searched Ashlee's purse to look for any other stolen property and although I did not find any additional items I did find numerous pawn shop receipts for sold items and an unmarked prescription bottle filled with various pills. I checked the pills inside the bottle

for any controlled substance but determined the pills only consisted of over-the-counter medications.

Julio and another security employee Brayant Castillo Garcia (10/20/1997) completed witness statements and determined the total value of items taken by Ashlee had been \$62 and the total value of items taken by Chandee had been three figurines totaling \$90. Julio stated that he would like to pursue charges for Chandee impacting him with her vehicle as well. I checked Ashlee's criminal history and did not find enhancing prior convictions and released her with citation E11448220 for Misdemeanor B retail theft.

Officer Tratos then informed me that he had been able to detain Chandee successfully and currently had her in custody. We checked Chandee's criminal history and discovered that she had two prior retail theft convictions in the last ten years, which would enhance this retail theft to a Misdemeanor A under 76-6-602. Due to Chandee leaving the scene of an accident involving a pedestrian and possible injury, I determined she would also be charged with Misdemeanor A Hit and Run under 41-6a-401.3. I completed the relevant Class A Screening sheet which was submitted via OnBase, but forgot to add applicable charges for Chandee driving with a denied driver's license and driving with expired registration. After the stolen property was retrieved, Chandee was released with charges to be screened. The property retrieved from Chandee consisted of two figurines totalling \$65 despite security stating she had taken three figurines totalling \$90. Please refer to Officer Tratos's report for full details.

Due to the hit and run, a DI-9 was also completed. With one suspect released on a citation and the other released with charges to be screened, this ends my involvement in this case. Case will remain open for screening of charges.
